LINEA

Flat face / Five listed heights

A flat aluminium skirting face with concealed clip fixings and space behind the cover for cable routing. Five listed heights allow the perimeter detail to be coordinated with the scale of the interior, using matching corner and end pieces.

PRODUCT REFERENCE

ORIGINAL SECTION / NOT TO SCALE

Dimensions & specification

Material	Aluminium; the technical datasheet lists EN AW 6463 T6 and EN AW 6061 T6. Confirm the alloy for the ordered section.
Section variants	83 x 14 mm; 100 x 14 mm; 120 x 14 mm; 150 x 14 mm; 180 x 14 mm
Length	2,500 / 2,700 mm - conflicting references; confirm before ordering
Published mass	0.328 kg/m (variant not identified)
Published section perimeter	225 mm (variant not identified)

Original source section drawing, not to scale. Read together with listed variants.

LINEA

Specification & installation

Before specifying

- Length requires confirmation: the technical table and datasheet state 2,500 mm; the catalogue or descriptive text states 2,700 mm. These are conflicting references, not confirmed alternative lengths.

- The variation list and catalogue drawing include 83, 100, 120, 150 and 180 mm. Descriptive text gives inconsistent subsets and also mentions 50 mm; 50 mm is not presented as a verified variant.

- The published mass and perimeter are not allocated to individual height variants. Confirm both for the selected height.

Listed finishes

Matt silver anodised; RAL 9016 white / semi-gloss powder coat; RAL 7016 anthracite / semi-gloss powder coat; RAL 9005 black / semi-gloss powder coat

Finishes and matching components require confirmation in the quotation; screen images are not calibrated colour samples.

Installation

1. Fix wall brackets at the 500 mm intervals shown in the installation guide, with substrate-appropriate screws and plugs. Engage the front profile fully onto the brackets.

2. Fit matching inner corners, outer corners and end caps as shown in the installation guide. Coordinate cable routing and access before closing the profile.

Components & accessories

Wall fixing brackets; Internal and external corner pieces; End caps
